## The World's best Drawer Systems come as Standard in all Colonial Kitchens

Colonial Kitchens are manufactured in the most modern production facility within the UK.

Great detail and consideration is taken when sourcing materials from the UK & Europe to ensure our Kitchens are of the finest quality and highest specification.

There are very few moving components within a Kitchen, therefore it makes perfect sense to include the very best fittings to ensure your kitchen operates as well in twenty years time, as it does the day it is installed.

This is why Colonial Kitchens use Blum fittings.

Blum are widely regarded as manufacturing the best, most innovative kitchen fittings within the industry. Founded in 1952 in Austria, Blum has grown into a €1.4 billion business trading in 120 countries around the world.

Blum fittings are not only meticulously engineered to perfection, they are aesthetically designed to harmonise with our furniture,

BLUM 110° hinge with integrated soft close mechanism.

### WHY CHOOSE BLUM Hinges.

Neat and sleek with integrated soft close as standard. Ensuring cabinet doors open easily and close effortlessly.

### Antaro Drawers.

Mellow grey toned metal sided drawer with a 16mm co-ordinating solid base. Low-friction cylindrical nylon rollers guarantee a feather-light glide and dynamic carrying capacities of 30kg, 50kg and 65kg. Thanks to soft-close BLUMOTION, drawers and pull-outs will always close softly.

### Aventos Bi-folding door mechanism.

Is an award-winning fitting system for bi-fold fronts both high and large. The system provides endless possibilities in planning and design with little installation effort. AVENTOS offers direct access, ease of use and freedom of movement.

### Guarantee.

Such is Blum's confidence within their manufacturing excellence, in the unlikely event of any defect occurring within a Blum fitting, they will replace it free of charge, regardless of its age.

### Another reason to choose Colonial Kitchens.
